Response to Notice of Drawing Inconsistency

Sir:

This response is being filed as a result of the USPTO issuing a Notice of Drawing Inconsistency on April 4, 2005.

The USPTO notice alleges that drawings filed on September 24, 2001 are missing Figure 3A. This allegation is not correct. The drawings filed on September 24, 2001 did indeed include Figure 3A. Figure 3A appears below Figure 3. As the USPTO has received Figure 3, Figure 3A was also received.

In the event that there is something missing from the IFW, applicants' representative encloses a further copy of Fig. 3/3A and the formal drawing of Fig. 3A.

Respectfully submitted,

Lawrence E. Ashery, Reg. No. 34,515
